

## Greek Language Methodology

The goal of this class is to get you started with New Testament Greek. It is a self-study introduction to New Testament Greek. Basic Greek in 30 minutes a day, created by James Found and pastor Bruce Olson, is an easy to follow, step by step guide that will teach you the Greek alphabet and have you pronouncing Greek words fluently in just a short time. You will learn basic outlines of Greek grammar as well as hundreds of New Testament words. This self-taught course has been proven successful for over 3 decades.

### Texts:

1. Basic Greek by James Found
2. A Greek New Testament
3. A Greek Lexicon
4. An interlinear Greek English New Testament
5. Strongs Concordance

The instructor will be available to help with getting started. The students will go at their own pace. There are 70 lessons which take about an hour each. At 30 minutes a day you will need 140 days to complete the course.

The students will be graded by phone with the instructor.
