WHERE YOUR LIFE AND MINISTRY COUNTS FOR CREDIT

PRESIDENT'S MESSAGE

Dr. Karen Drake: President

As we embark on this New Year, I would like to thank our Professors for their dedication and commitment to instilling their years of experience, wisdom, and knowledge into the lives of our students.

Also, to Primus Graduates, we thank you for choosing Primus as your University of choice to fulfill your degree goals. We pray that God will multiply your boldness to share His Word and operate fully in all Spiritual Gifts as promised in Luke 4:18: "The Spirit of the LORD is upon Me, because He has anointed Me To preach the gospel to the poor; He has sent Me to heal the brokenhearted, To proclaim liberty to the captives And recovery of sight to the blind, To set at liberty those who are oppressed;"

And, a special tribute to our Strategic Partners, Arizona Christian University (ACU) and Oral Roberts University (ORU), with great respect and honor for the privilege of their alliances.

It is a privilege to call the Arizona Christian University Campus in Glendale, Arizona, the home of Primus University of Theology. Year after year, we are privileged to reside on the beautiful ACU Campus and host our annual graduation events in the auditorium. (Check out the 2023 Eagle Forum and Graduation photos on the inside pages of this newsletter).

Arizona Christian University is an award-winning, culturally and theologically conservative university where students and their professors are serious about deepening their Christian faith and where relationships and community matter most.
